# Titan Poster SignHolder™ - LF128, LF136 Series

1. Screw upright onto base using two short flat head screws. When inserting screws, tighten BOTH by hand first. Then, fully tighten using a Phillips head screwdriver.
2. Screw frame onto upright using the long flat head screws located inside of the frame. Connect frame holder to upright using two round head screws provided.
3. Insert graphic as shown.

NOTE: Model shown below may differ from your model, but assembly instructions remain the same.
